

natural wine

welcome to our selection of Italian natural wines - from Organic or Biodynamic farming and without intervention in the cellar

Metodo classico - fine perlage, produced with the classic champenoise method

Frizzante - courser bubbles, re-fermented in the bottle

Bianco - still white wine

Rosato - still rose wine

Bianco macerato / Orange - white wine with prolonged skin contact maceration

Rosso - still red wine

Passito - dessert wine from dried grapes

Please ask us if you need any guidance on choosing or pairing wines
