

# natural wine

welcome to our selection of Italian natural wines - from Organic or Biodynamic farming without intervention

**Metodo classico** - fine bubbles, produced with the classic champenoise method

**Frizzante** - courser bubbles, re-fermented in the bottle

**Bianco** - still white wine

**Rosato** - still rose wine

**Bianco macerato / Orange** - white wine with prolonged skin contact maceration

**Rosso** - still red wine

**Passito** - dessert wine from dried grapes

Please ask us if you need any guidance on choosing or pairing wines
